

Table 1: AGGREGATE DATA, BY FORMULA PROGRAM¹

Information Requested	Example	Please Insert Your Data in This Column
Recipient name	Minnesota Department of Transportation	Indiana Department of Transportation
Federal formula program (i.e., Highway Infrastructure Investment, Transit Capital Investment, Fixed Guideway Infrastructure Investment, or Clean Water State Revolving Funds)	Highway Infrastructure Investment	Highway Infrastructure Investment
Recipient DUNS Number	999999999.9999	
Amount of Recovery Act funds allocated/apportioned to recipient (Transit agencies: please report on the amount of Recovery Act funds available to your agency and not the overall amount apportioned to your urbanized area)	850000	657967707
Amount of Recovery Act funds obligated	690000	123808940.40
Amount of Recovery Act funds outlayed	75000	0

¹ With regard to each Federal formula program, recipients should report information in each applicable category. For example, if the Minnesota Department of Transportation had begun work on a highway bridge repair, it would likely report the project in each of the following categories: number of projects put out to bid; estimated amount of Recovery Act funds associated with projects put out to bid; number of projects under contract; amount of Recovery Act funds associated with projects under contract; number of projects in which work has begun; and amount of Recovery Act funds associated with projects in which work has begun.

With regard to Highway Infrastructure Investment, Governors, in coordination with Metropolitan Planning Organizations (“MPOs”), should submit the following Table 1 forms: (1) aggregate data for the entire State; and (2) a separate copy of Table 1 representing aggregate data for funds suballocated to each MPO serving a Transportation Management Area pursuant to Section 133 of Title 23, United States Code. For example, with regard to Highway Infrastructure Investment, the Governor of Oregon should submit the following forms: Table 1 for the entire State of Oregon; Table 1 for Recovery Act funds suballocated to Eugene, Oregon; Table 1 for Recovery Act funds suballocated to Portland, Oregon; Table 1 for Recovery Act funds suballocated to Salem, Oregon; and Table 2 for each project in the State.

Information Requested	Example	Please Insert Your Data in This Column
Number of projects put out to bid (i.e., the project has been advertised)	8	101
Estimated amount of Recovery Act funds associated with projects put out to bid	690000	123808940.40
Number of projects under contract (i.e., the contract has been awarded)	6	37
Amount of Recovery Act funds associated with projects under contract	428000	43768693
Number of projects in which work has begun (i.e., the contractor has received a “notice to proceed” or the work has begun in-house, where applicable)	4	32
Amount of Recovery Act funds associated with projects in which work has begun	100000	40643168
Number of projects in which work has been completed (i.e., the work has been completed by a contractor or in-house, where applicable)	2	0
Amount of Recovery Act funds associated with completed projects	50000	0
Number of direct, on-project jobs created or sustained by Recovery Act funds (i.e., the number of employees created or sustained by Recovery Act funds, including employees of recipient, prime contractors, consultants, and subcontractors)	178	0

Information Requested	Example	Please Insert Your Data in This Column
Total job hours created or sustained by Recovery Act funds (i.e., the total job hours for employees cited in above line)	14240	0
Total payroll of job hours created or sustained by Recovery Act funds (i.e., the total dollar amount of wages paid for job hours created or sustained by Recovery Act funds)	370240	0
Aggregate expenditure from State sources for projects eligible for funding under the Federal formula program during the period from 2/17/09 through 3/31/09	50000	
Amount of funds that recipient planned to spend as of 2/17/09 from State sources for projects eligible for funding under the Federal formula program during the period from 2/17/09 through 9/30/10	600000	1223400000
Any decrease (from the amount reported in the line above) in the amount of funds that the recipient now plans to spend from State sources for projects eligible for funding under the Federal formula program during the period from 2/17/09 through 9/30/10	0	0

Table 2: PROJECT-SPECIFIC: Please complete for all projects where Recovery Act funds are obligated²

Information Requested	Example	Please Insert Your Data in This Column
Project name (Note: To the extent applicable, the project name should be the same name as the name appears in the Statewide Transportation Improvement Program (STIP) and/or Fiscal Management Information System (FMIS).)	Highway 1 Recovery Bridge Replacement in Duluth, Minnesota	SR 17 - Bridge over Starr Ditch , 1.77 miles S of SR 14
Federal formula program	Highway Infrastructure Investment	Highway Infrastructure Investment
Recipient DUNS Number	999999999.9999	
Federal-aid project number (Note: The Federal-aid project number applies only to Highway Infrastructure Investment.)	AAAA111	3325007
State project number or identification number, where available (Note: The state project or identification number applies only to Highway Infrastructure Investment.)	1000000000000	100341
Project purpose (For Highway Infrastructure Investment, please provide a single sentence describing the type of project consistent with the improvement type code in FMIS.)	Bridge Replacement-No Added Capacity	Bridge Replacement - Added Capacity
Estimated project total cost	2200000	596400
Project rationale (Note: Please provide a short description of how the project will advance the recipient's transportation and infrastructure goals and the reason the recipient selected this particular investment.)	Improve bridge safety by replacing an 80-year old bridge	Improve bridge safety by replacing a 69 year old bridge

² Please use this table format to add rows to identify additional projects as necessary.

Table 2: PROJECT-SPECIFIC: Please complete for all projects where Recovery Act funds are obligated³

Table 2: PROJECT-SPECIFIC: Please complete for all projects where Recovery Act funds are obligated⁸⁴

Information Requested	Example	Please Insert Your Data in This Column
Project name (Note: To the extent applicable, the project name should be the same name as the name appears in the Statewide Transportation Improvement Program (STIP) and/or Fiscal Management Information System (FMIS).)	Highway 1 Recovery Bridge Replacement in Duluth, Minnesota	SR 46 - From SR 446 to SR 135
Federal formula program	Highway Infrastructure Investment	Highway Infrastructure Investment
Recipient DUNS Number	999999999.9999	
Federal-aid project number (Note: The Federal-aid project number applies only to Highway Infrastructure Investment.)	AAAA111	0810411
State project number or identification number, where available (Note: The state project or identification number applies only to Highway Infrastructure Investment.)	1000000000000	810411
Project purpose (For Highway Infrastructure Investment, please provide a single sentence describing the type of project consistent with the improvement type code in FMIS.)	Bridge Replacement-No Added Capacity	4R Maintenance-Resurfacing
Estimated project total cost	2200000	2055379.97
Project rationale (Note: Please provide a short description of how the project will advance the recipient's transportation and infrastructure goals and the reason the recipient selected this particular investment.)	Improve bridge safety by replacing an 80-year old bridge	Improve road safety, rideability and longevity over a 16 mile segment

⁸⁴ Please use this table format to add rows to identify additional projects as necessary.

Table 2: PROJECT-SPECIFIC: Please complete for all projects where Recovery Act funds are obligated⁸⁵

Information Requested	Example	Please Insert Your Data in This Column
Project name (Note: To the extent applicable, the project name should be the same name as the name appears in the Statewide Transportation Improvement Program (STIP) and/or Fiscal Management Information System (FMIS).)	Highway 1 Recovery Bridge Replacement in Duluth, Minnesota	SR 7 - From 1.52 miles N of Clifty Creek Drive to SR 3
Federal formula program	Highway Infrastructure Investment	Highway Infrastructure Investment
Recipient DUNS Number	999999999.9999	
Federal-aid project number (Note: The Federal-aid project number applies only to Highway Infrastructure Investment.)	AAAA111	0810413
State project number or identification number, where available (Note: The state project or identification number applies only to Highway Infrastructure Investment.)	1000000000000	810413
Project purpose (For Highway Infrastructure Investment, please provide a single sentence describing the type of project consistent with the improvement type code in FMIS.)	Bridge Replacement-No Added Capacity	4R Maintenance-Resurfacing
Estimated project total cost	2200000	1984500
Project rationale (Note: Please provide a short description of how the project will advance the recipient's transportation and infrastructure goals and the reason the recipient selected this particular investment.)	Improve bridge safety by replacing an 80-year old bridge	Improve road safety, rideability and longevity over a 15 mile segment

⁸⁵ Please use this table format to add rows to identify additional projects as necessary.
